

Paris, Oct. 10 1979

Dear Sir,

Sorry for replying in English to your letter, but I am afraid my German is too weak...

However, I sent your letter to Art VAN REMUNDT, who is the Director of our Dutch office in Amsterdam, who is entitled to deal with Germany, and who speaks fluent German.

The address of our Dutch office is:

Greenpeace  
Damrak 98''  
AMSTERDAM, THE NETHERLANDS

Enclosed some documents in French about our activities in Europe.

Yours sincerely,

Rémi PARMENTIER.
