Re: Greenpeace Deutschland

Dear *Gerhard*

It was good of you to phone yesterday. We are proceeding with our first small Greenpeace Deutschland office in Bielefeld (Wilhelmstrasse 7-9; tel.: (521) 177358).

The co-ordinator of this office, Mr. William Parkinson, will receive a copy of this letter and I do feel you should contact him personally, with respect to your participating with them.

Since Mr. Parkinson and his group are mainly interested in the marine mammal problem, they would welcome talking to you as we are very interested in pursuing the 'energy' problems.

Please keep me in touch.

Sincerely,

David
